The **GHS Parent Teacher Student Association (PTSA)** invites **ninth grade** parents to become a part of the high school connection! While our activities are a bit different from what you may remember about PTA in elementary and middle school, PTSA's goal is the same — to foster a connection between parents, teachers and students. Membership doesn't have to mean hundreds of volunteer hours! Just by joining you become an active supporter of our school community!

Ninth grade parents, JOIN NOW! Only \$6 per membership.
