

AR Classroom Reports

Open AR Management
Enter password (room number)

From Go menu > classroom Reports
Or
Click on Classroom Button

Choose the report that you want from the list.

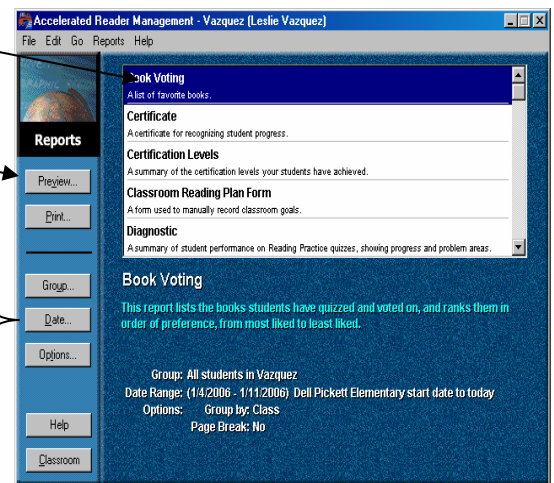

Click the **Preview** button to examine report before printing.

To Customize:

Use **Group** button to select which classes and students you want to include on the report.

Use **Date** button to specify a timeframe for the information on the report.

Use **Options** button to group the information by class and to place a page break between each student.

After you have previewed the report, click the Print button. This will open your standard Print dialog box where you can choose a different printer and other options.
