Pickett Elementary  
Permission Slip

Parents/Guardians,

I am a Content Mastery Paraprofessional at Pickett Elementary and with the encouragement of our Principal want to start an after school running club. I am an avid jogger and desire to impress upon our youth the value of staying fit and instill a desire to continue to stay fit the rest of their lives. We are looking to practice an hour after school for 3 days a week. We eventually want to work our way up where we can participate in community fun runs, help raise funds for charitable organizations and simply have fun. Your child has expressed an interest to be apart of this club and we are sending this note to secure your approval. What you are agreeing to includes the following: (1) approve your son's/daughter's participation; (2) pick up your child by 4:30 pm at the school; (3) give permission to have his (her) picture taken to be used by the school to publicize their successes or maybe allow for their picture to appear in a local newspaper article; (4) support your child every step of the way.

Please sign below and return to me. Thank you for your consideration.
