Conference Info.

Ms. Long, Mrs. McClung and Mrs. Pierce all have conference time at 12:30-1:15 daily! If you need to meet with any or all of us, please call to

Language Arts: We are working this week on "pumping up our details", tying beginnings and conclusions together, and transition sentences. We will also revise and edit our scary stories to put in writing portfolios. Don't forget to study spelling.

Reading: In reading this week we are focusing on Cause and Effect. During our silent reading time I am asking students to write cause and effects they come upon in their reading journals! We are sharing these when we meet to close our class time together.

Math: We will finish Ch. 5 (area and perimeter) this week. The students will be tested on Wed., Nov. 4. The rest of the week will be spent learning about multi-digit multiplication in Chapter 6. Keep practicing those multiplication facts!

Social Studies: We will continue our unit on Native Americans. We will focus on the Caddo, Karankawa, Jumano, and Comanche so we will be ready for our field trip on Nov. 10.
