

Forward Your Phone to Voice Mail For TAKS!

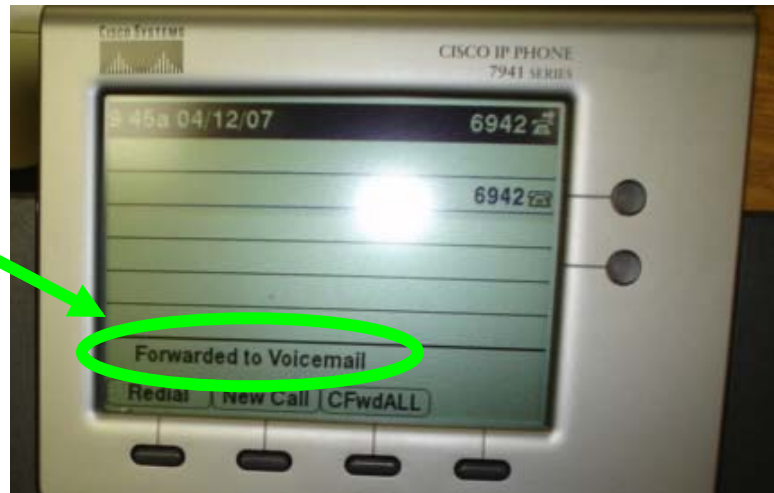

1. Press the **CFwdALL** button on your phone.

2. Press the **Messages** button.

3. Your phone will now display the message "**Forwarded to Voicemail**". It will not ring if someone calls you.

NOTE: You can check your voice mail as usual even while the phone is forwarded.

4. To cancel forwarding after TAKS, simply press the **CFwdALL** button again.
