

EAGLE G LOCKER

The **EAGLE LOCKER** is a program developed by our student-athletes, student trainers, physical education students, and teen leadership students to bring awareness and assistance to the homeless student population in the Georgetown Independent School District. The **EAGLE LOCKER** students work together to collect supplies for these homeless students so they may have access to some of the basic necessities that all students should have available to them. The **EAGLE LOCKER** program collects these supplies through various fundraisers and athletic events.
