# Login

1. In a web browser like Google Chrome or Internet Explorer, go to [http://google.com](http://google.com). We recommend using Google Chrome.

2. Click **Sign In** at the top right.

3. In the field, type your Georgetown ISD student email address: `YourComputerUsername@students.georgetownisd.org`

4. Click the blue **Next** button.

5. Enter your **computer password**.

   * **Do not** check the **Keep me signed in** box if you are using a shared device such as a school computer or school iPad.

6. Click the **Sign in** button.

---

# Accept the Google Apps for Education Terms

7. Click the blue **I accept. Continue to my account** button.
1. If this is the first time in your GISD Google Apps for Education account, you will see prompts.
2. Click the blue arrow to advance through the welcome announcements.

3. To access the apps you have available in your Google Apps for Education (GAFE) account, click the App Launcher.
   - Use Docs to type a document.
   - Use Calendar to keep your important dates up-to-date.
   - Use Slides to create a presentation.
   - Use Sheets to create a spreadsheet.

4. Click More to see additional apps available in your Google Apps for Education account such as YouTube, Translate and Classroom.
