Goal 1: Student Centered: Develop a future ready learning experience that reflects student voice, choice, and ownership.

Performance Objective 3: Increase the use of Design Qualities for designing engaging work for all students.

Evaluation Data Sources: Exemplars of student achievement. Professional Development digital portfolios that showcase artifacts of collaborative practices and individual growth.

Strategies:

1.) Teachers and administration will continue to attend training and implement design qualities through the work of Professional Learning Communities.

2.) Administration will collaborate with teacher-leaders to create and utilize assessment tool to monitor progress.

3.) Design team will continue to work on the implementation of our pathway goals and set evaluation benchmarks to track progress and make adjustments, as needed.

4.) Each department and/or grade level will set one smart goal in alignment with designing meaningful and engaging work and/or addressing literacy by implementing reading and writing strategies with the design qualities.

5.) Establish a true RTI committee to assess prevention, intervention, and remediation stage for student achievement and campus wide response to student outcomes.

Strategy’s Expected Result/Impact: The campus will focus collectively on similar goals, pathways, and support for pedagogical practices and monitoring of student success.

Staff Responsible for Monitoring: Administrators, Teachers, Counselors, Support Staff
