

meet the **COUNSELOR**

My goal as your school counselor is to create genuine relationships with your family and to promote growth in our students. This positive connection between the school and home can help lead to student success. Some ways I help Village partner with families is through:

- Communication regarding socioemotional needs for students
- Family consultation and /or referrals when needed
- Family Education/training
- Volunteer opportunities

I work alongside teachers and families to help students grow and develop socially and emotionally, and to help remove any barriers they have to learning! My focus at Village Elementary entails:

- Classroom lessons focused on social skills, self-regulation, and positive behavior
- Small group counseling
- Short-term individual counseling
- Consultation with families and staff
- Community resource referrals
- Capturing Kids' Hearts Leadworthy Character Lessons
- Teaching students' conflict resolution skills

Hello Stingray Families!

I am excited about being your school counselor here at Village Elementary. I work with students, families, teachers, staff, and members of the community. I offer support along with other staff work diligently to create a positive learning environment for your children focusing on our core values safe, respectful, and responsible.

Mrs. Daisy Jayroe
 School Counselor
