

Preserve Your Immunization Record for College and for Life!

How to Register for ImmTrac*

- Complete the ImmTrac Adult Consent Form
- Gather and make copies of all of your official immunization records
- Deliver you consent form and immunization records to your local health department or a health-care provider authorized to access ImmTrac

* If your immunization records were in ImmTrac as a child, you can keep them in ImmTrac as an adult. However, you must sign the ImmTrac Adult Consent form between your 18th and 19th birthday to continue to keep your record in ImmTrac.
