Sick Leave Bank Enrollment Application

To become a member of the Sick Leave Bank an employee must complete and submit the online enrollment application. Membership in the Georgetown ISD Sick Leave Bank is available only to all full and part-time regular employees. Information on the Sick Leave Bank can be found in District policy DEC(LOCAL), the GISD Employee Handbook, and in the Q&A’s below.

Q:  What is the Sick Leave Bank?

A: The Sick Leave Bank is a collection of donated Local Sick Leave days that allows the District to provide additional paid leave days (“Catastrophic Leave”) to participating employees who experience a qualifying catastrophic event and meet all eligibility requirements.

Q:  What is Catastrophic Leave?

A: An employee who has donated to the Sick Leave Bank may request up to sixty (60) days of Catastrophic Leave if the employee, or a member of the employee's immediate family, experiences a catastrophic illness or injury and the employee has exhausted all paid leave.

Q: How is "catastrophic illness or injury" defined?

A: Catastrophic illness or injury is a severe, prolonged, or life-threatening condition, or combination of conditions, affecting the mental or physical health of the employee or a member of the employee’s immediate family that requires the services of a licensed practitioner for a prolonged period of time, and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. Bereavement shall not be covered. The condition of pregnancy shall not be covered, but severe medical complications resulting from pregnancy or childbirth shall be considered.

Q:  Who Makes Eligibility Determinations for Catastrophic Leave?

A: A committee made up of GISD employees shall confidentially consider applications in accordance with District policy and established Sick Leave Bank procedures. The Human Resources Department will remove names from applications before review by the Committee to allow anonymous leave requests. HR will appoint Committee members on an annual basis. The Committee shall be representative of multiple departments and include employees who have relevant expertise and/or experience.
Q: **Must I contribute two (2) days each year?**

A: No. Only employees who exhaust all sixty (60) days of Catastrophic Leave will be required to donate two (2) additional days the following year during annual Open Enrollment.

Q: **What if I only use a portion of my available sixty (60) days of Catastrophic Leave?**

A: Employees who only use a portion of the 60-day allotment are not eligible to reapply for additional Catastrophic Leave until they've exhausted all sixty (60) days and the next open enrollment period begins.
