

Hard Reset of iPad Sessions

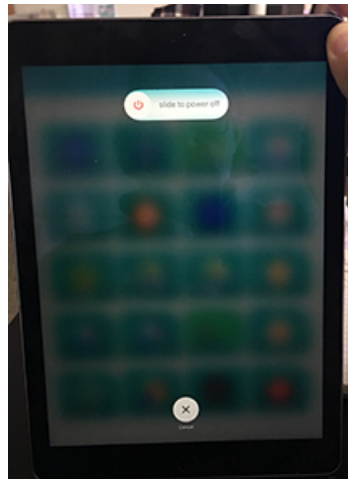

ClassLink

Between Students, Reset iPad Session

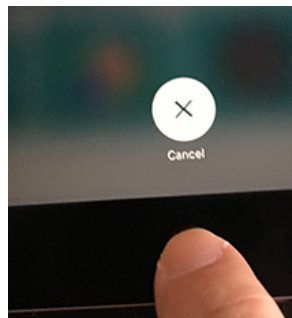

1. Locate the iPad's power button, usually on the right of the top edge of the iPad.

2. Press and hold the power button until the "power off" screen shows.

3. Hold the Home (which is in the center of the bottom edge) button down...

4. ...until the screen resets to the home screen.

5. Double tap the home button and tap on the ClassLink app screen.

6. The ClassLink app will reset itself to the login screen, and will be ready for the next student to use.
