# Adding an App from the GISD App Library

ClassLink

Some ClassLink apps are added to the GISD ClassLink App Library

1. Click on the plus sign next to Georgetown ISD on the top, left-hand side of the page.

2. *Click on Georgetown ISD Library (in the middle at the top of the screen).*

3. Select the app for your desktop by clicking the green Add button. Plato is used here as an example.

4. Click on the app on your ClassLink Desktop.
