

Updating Your District Password

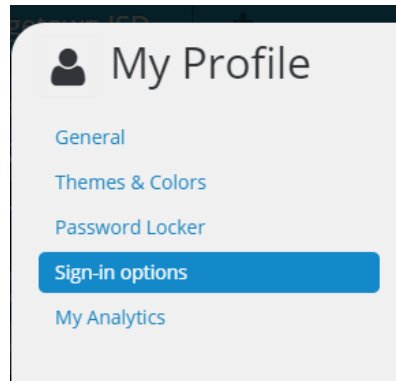

ClassLink

If you are having trouble with ClassLink after updating your district password:

1. Log into ClassLink
2. Click on the arrow next to your profile picture.
3. Click on the "My Profile" button.

4. In the new window, click on "Sign-in options" on the right-hand side.

5. On the left-hand side, click the "Update" button in the "LDAP/Active Directory" area.

6. Enter your new password in "Password" box.
7. Enter your password again, this time in the "Confirm Password" box.
8. Hit the "Submit" button.

Please verify your network password
