As an employee of Georgetown ISD, you may participate in voluntary 457(b) and 403(b) retirement savings plans to help you prepare for life beyond your working years. While your TRS pension may be enough to cover your expenses when you first retire, your reduced monthly income may not be sufficient for factors like medical bills, taxes, and your desired standard of living.

Through **TeleWealth™ Virtual Consultations**, our experts can help provide unbiased assistance through phone or live video chat right from your desktop or mobile device. We can address topics like:

- Assessing your TRS annuity, Social Security, and income gap
- The difference between 457(b) and 403(b) plans
- What to do with old employer plans if you’ve switched jobs
- Understanding your risk tolerance and how to choose investments
