Practice this assignment at home for **40 minutes** and use various practice strategies. Fill out this form and get a parent signature before turning in.

Circle any and all strategies you used when practicing:

Slowed the Tempo	Played the rhythm only	Practiced note by note	Used a metronome	Repeated tricky spots over and over	Used a tuner to find perfect intonation	Stop and Think method	Played without slurs or other tricky bowings
Listened to a recording (if available)	Used pizzicato	Played in front of a mirror to check posture and technique	Analyzed a problem area in the music by breaking it down	Finger Pattern practice	Practiced in chunks and not whole pieces	Used stopped bows	Aimed for "no mistakes"

List other strategies you used in your practice session:

Which practice strategy or strategies helped you the most, and why?
